

Hotel F-cube

The Hotel F-Cube Tenjin Higashi offered by Apamanshop Service Residence is located in the Fukuoka City convention area making the hotel ideal place to stay for business, sightseeing, conventions and entertainment events.

All of our guest rooms are residential types. The room is equipped with a sink conveniently designed for hair washing, a bidet-types toilet and kitchenette.

The toilet is in a room separate from bathtub, a common feature in Japanese homes, to provide a comforting home-like atmosphere.

We have a concierge service to provide support and direction to guests unfamiliar with the area.

Free LAN connection in all rooms. PCs, LAN cards and cables are not provided.
